

Approved For Release 2000/08/22 : CIA-RDP61S00750A000200090088-3

21 January 1958

1. The attached paper will be considered at an ARC meeting on Friday, 24 January 1958, in Room 214, Admin Building.

2. The Air Force is distributing separately a study relevant to the paper prepared by the Targets Directorate entitled "Target Intelligence on Soviet Ballistic Missile Facilities, Annex C".

3. Colonel Macia has also requested that the ARC give consideration to the establishment of targets bearing on geodetic positioning. Members are requested to bring to the meeting such experts as they require for a discussion of this question.

JAMES Q. REBER
